

## **Sick Policy**

A child should be excluded from the MOPS KIDS program and kept home (not upstairs with Mom) if he/she has had any of the following symptoms **within the last 24 hours**:

- Fever of 100.5 degrees or higher
- Runny nose (other than clear)
- Discharge from the eyes
- Persistent cough
- Unexplained rash
- Lethargic/unable to participate
- Any communicable disease

No medication of any kind will be administered by any MOPS KIDS teacher.

## **Ouch Report Policy**

If a child receives an injury that leaves a mark (or may result in a bruise, etc.) while in MOPS KIDS, the teacher will fill out an Ouch Report to give to the child's Mom, or will verbally explain what happened to the child's Mom.

## **Discipline**

Our hope is that MOPS KIDS will be a place where all children feel safe and are learning how to positively interact with peers. Teachers will make every effort to be verbally proactive in handling discipline issues. Should a problem arise, a misbehaving child will be gently corrected with words and redirected to a different activity. If needed, the MOPS KIDS team member will get the child's mom.

## **Personal Items**

All items (blanket, snack, bottle, sweater, etc.) should be labeled with the child's name. Tape and marker will be provided. Toys should be left at home.

## **No Nut Policy at New Hope Church**

\*\* Be aware that no nuts of any kind are allowed in the children's classrooms or any part of New Hope Church, to protect children with severe food allergies. \*\*
